By Wendy Stevens
National Federation of Music Clubs - Primary III Solo

Begin playing as written after the 4 measure introduction at 100 bpm. Play this selection in double time, as the Samba rhythm used for this selection works perfectly recorded at 100 bpm.

This piece has been recorded twice, one version has the optional repeat indicated at measure 38. The other version does not have the optional repeat. The Clavinova will automatically change voices for you. Remember, as this is a midi file, you can adjust the tempo
Enjoy!
