By Timothy Brown

National Federation of Music Clubs Primary Class 1 – Piano Solo

The Clavinova will play a 5 measure introduction counted in 4/4 time. Play the pickup note in measure 5, beat 4 of the introduction.

Play _ time with this background (meaning 1 measure of the background on the Clavinova equals to 2 measures on your music). If you need assistance, listen to the Mp3 example.

The Clavinova will automatically change sounds for you.

Enjoy!
